Hey Steve,

Lei la parte del documento que me enviaste. Sin embargo, sinceramente, no encontré "mentiras" o "distorsiones"... desgraciadamente es un recuento bastante completo de la porquería institucional que se ha vivido en el Ecuador en los últimos años.

Pero en realidad mi conocimiento de muchos de estos datos no es muy amplio, así que es importante que Alejandro lo revise para cerciorarse de la exactitud de los detalles. Lo único que yo entiendo, es que en amplios términos es verdad lo que Chevron dice.
