Notes:

[1] In addition to Agreements, Kroll identified the "Execution Status," "Equity Interest", and "Lenczner Slaght Role(s)" based on documents provided in the Mary Katherine Sullivan productions.

[2] Per **JVM 002466**, Lenczner Slaght has retained \$691,500 of the \$1,417,500 it has received to satisfy outstanding legal fees. The \$100,000 difference is likely due to the timing of the Indigenous People Ltd. Agreement transactions.

JVM 002466 was dated February 2, 2017, prior to the February 21, 2017 payment into the Donziger & Associate's TD Bank account.

It also identifies the \$237,500.00 After-Fees amount for the Indigenous People Ltd. Agreement as "Available Cash" in the Lenczner Slaght Escrow Account.
